#### **ABOUT "YOUR" COMPANY & IT'S BUSINESS**

RIDDHI CORPORATE SERVICES LIMITED (RCSL), a part of Riddhi Group was incorporated in 2010 under the Company's Act 1956. They offer a gamut of solutions under Document Management, inbound and outbound Contact Centre, Data Entry, Software Development, Verification Services and Recruitment Services. Mr. Alpit Gor, Director, Riddhi Corporate Services Limited elucidates, "Financial institutions and telecom companies spend a huge amount of money on field operations for credit score and address verification. The idea of RCSL emerged from this analysis and we started our operations to curb unnecessary costs and proficiently support business needs of Telecom, Banking, NBFC and IT sectors. We have in-house IT development team, who are capable to work on various technologies and fulfill the need of our customers. Also, our wide distribution network and efficient logistics department offers comprehensive global logistics solutions for the transit needs of various companies and individuals in a prompt manner.

RCSL is a venture of renowned experts in BFSI sectors who aspires to serve the industry and its customers through highly skilled manpower, advanced technology and best-in-class infrastructure and unmatched industry experience. Company's first major development happened in 2011, when they got an opportunity to cater to leading telecom operator in 3 circles, Rajasthan, Madhya Pradesh, Chhattisgarh and Orissa for end-to-end CAF management activity (including Warehousing). Cut to 2018, today, RCSL has become one of the most admired business partners in areas of Digitization, Documentation, Field Verification and Warehousing to Telecom, Banking and Financial Sectors across India

#### **OUR MISSION AND VISION**

**VISION:** To become the most admired Business partner in Areas of Digitization, Documentation, and Field Verification & Warehousing to Telecom, Banking and Financial Sectors across India.

#### **NOTES:**

#### THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 25th September 2023 and ends on 27th September 2023. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21st September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding

#### **MANAGEMENT DISCUSSION AND ANALYSIS:**

#### > ECONOMIC SCENARIO:

For second year running, Over the course of the past year, the global economy has experienced numeruous challenges in the form of geopolitical tension, rising interest rates, high inflation levels. Alongside, the consequences of a sudden surge in COVID-19 cases in China also impacted growth projections. As per the latest estimates by the International Monetary Fund, the global GDP growth rate is estimated to be 3.4% in FY22 showing resilience towards the recessionary fears. On account of these headwinds, supply chain disruptions were also rampant. Moreover, due to geopolitical conflicts, crude oil prices soared, global trade was impacted and inflationary pressures worsened. To rein in inflation, Central Banks across the world, including the US Federal Reserve, responded with synchronised rate hikes. A stronger boost from pent-up demand in numerous economies or a fall in inflation is expected in the course of 2023. The emerging and developing economies of the world are likely to play a major role in accelerating global economic growth. Another silver lining is the fact that global inflation is likely to decline from \*8.8% in C.Y. 2022 to 6.6% in C.Y. 2023 and 4.3% in C.Y. 2024.

The Indian economy remained remarkably resilient to global challenges in F.Y. 2022-23. This is evident by robust domestic demand and upbeat investment activity. Sectoral analysis reveals that growth was driven by robust construction activity aided by increased infrastructure investment both by the Central Government and State Governments, which paved the way for large-scale employment opportunities. Building on the gains of first half of the fiscal year, the second half continued to see a gradual upswing in demand and economic activity. While post-covid, private investment recovery is still at a nascent stage, there are early signals, which indicate that India is poised for a stronger investment upcycle in both manufacturing and services sectors. The number of private investment projects under implementation in the manufacturing sector is also steadily growing.

#### > INDUSTRY REVIEW:

The Indian economy is the fifth largest in the and we have our sights set on becoming a \$5 trillion economy by 2025. One of the big drivers of this growth is expected to come with the expansion of the logistics industry in India which employs million people and acts as the backbone for multiple industries. Investing in infrastructural development by creating dedicated freight corridors, improving connectivity by road, rail and the sea, and enabling technology driven solutions for improved visibility across the supply chain will be critical if India is to accelerate and sustain GDP growth.

India is one of the countries with the largest population and an expansive geographical coverage which contributes to many of the factors that influence logistics in the country. The pandemic seen a shift with countless challenges unique to each region. The logistics industry is seeing its fair share ups and downs but trends suggest better growth for this sector in the coming year. As of 2021, the size of the logistics industry in India was valued at \$250 billion with the market poised to grow to an impressive \$380 billion by 2025, registering a healthy growth rate of 10%-12% year on year. However, the ecosystem is still coming grips with many challenges, with India ranking 44th in the Logistics Performance Index (LPI) released the World Bank, and industry watchers agreeing that the cost of logistics needs to be brought down. The year 2022 was a hit-and-miss for many of the key players in the industry. ICRAs reports suggested a growth rate of 14-17 % for the 21-22 fiscal year Moreover, around 14.4 % of the GDP is accounted for by the logistics industry. A substantial amount the population that are employed work in this sector In India, the cost of logistics hovers around 12% 13% of GDP mark which is much higher compared to BRICS countries, or US and Germany that are at 11%, 9.5 % and 8%, respectively. The Government has already outlined many steps to bring this number down to 8% by 2030, in order to drive enterprise efficiency.

As regards the Union Budget of 2023, expectations center around implementation of plans outlined as part of the National Logistics Policy (NLP) that PM Modi launched in September 2022. Aimed at enhancing economic growth, increasing employment and improving the competitiveness of domestic products in local markets and abroad, the NLP will establish a single-window e-logistics market and promote the seamless movement of goods across the country. This was a natural next step following the Gati Shakti National Master Plan that seeks to urgently improve first and last-mile connectivity, which continues to be a roadblock for ecommerce players, MSMEs across the board. With the unorganized sector amounting to over 90% of the logistics industry, there is a need for less-fragmented communication between various stakeholders. A technology driven framework can bridge the gap between manufacturers, government has bodies, customs, shippers, service providers by enabling information exchange in a secure, confidential and real time or near real time manner, as outlined by the Unified Logistics Interface Platform (ULIP.) The implementation of ULIP will prove to be a game changer in times to come, by improving logistics visibility multi fold, cutting down expensive delays and transports costs, and enhancing enterprise efficiency. And, Indian startups will play a critical role in the strengthening and adoption of this open-source protocol to break communication, promote standardization and service quality assessment, and improve automation for greater reliability and ease of doing business.

There is also a need for better warehousing, cold . storage infrastructure and enhanced first and last mile connectivity to reduce wastage, and of promote quicker transport of goods from port . to port, city to city, from state to state. Cost of - operations will stand to come down by reducing the tax burden on last mile services that currently attracts 18% tax and incentively warehousing. With over 60% of all freight in India transported by road (as compared to the global average of 25%), our highways are the lifeline for goods transport. And initiatives like FASTag are helping cut trucking and transport times. However, in this Union Budget the industry expects a push for the creation of Dedicated Freight Corridors (DFC) and the creation of multi-modal logistics parks, with freight stations, improved connectivity by rail, more efficient trade across state borders.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. except for the mentioned

According to Regulation 160(f) of the SEBI (ICDR) (Amendment) Regulations, 2022, the Company was required to submit an application for In-principle approval to the Bombay Stock Exchange (BSE) on September 27, 2022, for a Preferential Issue of Equity Shares and Share Warrants. However, the Company has encountered delays of 31 days and 34 days in filing the required documents for In-principle approval with the Bombay Stock Exchange for the Preferential Issue of Equity Shares and Share Warrants. The company has already applied for condonation of this delay in filing the necessary documents with the Bombay Stock Exchange for adjudication of the violation. This resulted in Adjudication Order No. order/BS/RG/2023-24/28875, which was dated August 23, 2023, issued by the Securities Exchange Board of India (SEBI). The order imposes a penalty amount totaling Rs. 2,00,000/- (Rupees Two Lakhs Only), and this penalty is paid by the company on 1st September, 2023.

#### I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions of the board were unanimous and the same was captured and recorded as part of the minutes.

**I further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that** during the audit period the Company has no specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc

#### **INDEPENDENT AUDITOR'S REPORT**

#### TO THE MEMBERS OF RIDDHI CORPORATE SERVICES LIMITED

#### Report on the Audit of the Standalone Financial Statements

#### Opinion

- 1. We have audited the accompanying standalone financial statements of Riddhi Corporate Services Limited("the Company"), whichcomprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and asummary of the significant accounting policies and other explanatory information (hereinafter referred to as "thestandalone financial statements").
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalonefinancial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so requiredand give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards prescribed under section 133 of theAct read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS"), of the state of affairs (financial position) of the Company as at March 31, 2023 and its profit (financial performance including othercomprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specifiedunder section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the *Auditor'sResponsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI)together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities inaccordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### **Key Audit Matters**

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

5. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter	
1	Fair Valuation of Investments		
	The Company's investments (other than investment in Associates) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. Within the Company's investment portfolio, the valuation of certain assets such as unquoted equity and bonds requires significant judgment as a result of quoted prices being unavailable and limited liquidity in these markets.	We have assessed the Company's process to compute the fair value of various investments. For quoted instruments, we have independently obtained market quotations and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.	
2	Revenue Recognition		
	Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances based on Contracts with Customers.  The revenue recognition involves certain key judgments relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognised over a period and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.	We assessed the Company's process to identify the impact of Contracts with Customers. Our audit approach consisted of studying the internal system and IT platform used regarding the implementation and also testing of the design and operating effectiveness of the internal controls and substantive testing. We evaluated the design of internal controls relating to implementation of the new revenue accounting standard. We selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation. Samples in respect of recording and recognition of revenue were tested by checking the invoices and performance. Conclusion Our procedures did not identify any material exceptions.	

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any formof assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other informationand, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includesmaintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- 8. In preparing the standalone financial statements, management is responsible for assessing the Company's ability tocontinue as a going concern, disclosing, as applicable, matters related to going concern and using the going concernbasis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistical ternative but to do so.
- 9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on

Auditing will always detect a material misstatement when it exits. Misstatement can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

- 11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also;
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risks of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimate and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit's report to the related disclosures in the standalone financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall, presentation, structure and content of the standalone financial statements, including the disclosers and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify, during our audit.
- 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 14. From the matters communicated with those charge with governance, we determine those matter that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our

auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

16. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure B, a statement on the matters specified in paragraph 3 and 4 of the Order.

#### 17. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the statement of Profit & Loss including Other comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- e) As per the management representation, we report,
  - No funds have been advanced or loaned or invested by the Company to or in any
    other person(s) or entities, including foreign entities ("Intermediaries"), with the
    understanding that the intermediary shall whether directly or indirectly lend or
    invest in other persons or entities identified in any manner by or on behalf of the
    Company (Ultimate Beneficiaries) or provide any guarantee, security or the like
    on behalf of ultimate beneficiaries.
  - No funds have been received by the Company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.
  - Based on the audit procedures performed, we report that nothing has come to our notice that has caused us to believe that the representations given under subclause (i) and (ii) by the management contain any material mis-statement.
- f) In our opinion, the Company has complied with Section 123 of the Companies Act, 2013 with respect to dividend declared/paid during the year.
- g) On the basis of the written representation received from the directors as on March31,2023 taken on record by the Board of Directors, none of directors is disqualified
  - as on March 31,2023 from being appointed as a director in terms of Section 164(2) of Act.
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the opening effectiveness of such controls, refer to

- our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- i) With respect to other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- j) With respect to the other matter to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us;
  - 1. The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
  - 2. The Company did not have any Long Term Contracts including derivative contracts for which there were any material foreseeable losses.
  - 3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

#### Annexure A to Independent Auditors' Report

Referred to in paragraph 17(h) of the Independent Auditors' Report of even date to the members of RIDDHI CORPORATE SERVICES LIMITED on the Standalone Ind AS financial statements for the year ended March 31, 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of RIDDHI CORPORATE SERVICES LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting, were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **NOTES TO ACCOUNT:**

#### **Significant Accounting Policies and Notes on Accounts:**

#### **Nature of Operations:**

The Company's principal activity is providing solutions under document management, inbound and outbound contact centre, data entry, software development, verification services and recruitment services.

#### 1. Significant Accounting Policies:

#### 1) Basis of Preparation of Financial Statements:-

#### (i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

#### (ii) Historical cost convention

The financial statements have been prepared on an accrual basis and under the historical cost convention except certain financial assets and liabilities are measured at fair value (refer accounting policy regarding financial instruments).

#### (iii) Classification of assets and liabilities

The classification of assets and liabilities into current and non-current, wherever applicable, are based on normal operating cycles of business activities of the Company, which is twelve months.

#### 2) Summary of Significant Accounting Policies:

#### a) Property, Plant and Equipment:

All items of Property, plant and equipment except land are shown at cost, lessaccumulated depreciation and impairment, if any. The cost of an item of property, plant and equipment comprisesits cost of acquisition inclusive of inward freight, import duties, and other nonrefundable taxes or levies and anycost directly attributable to the acquisition / construction of those items; any trade discounts and rebates are deducted in arriving at the cost of acquisition.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit or lossduring the reporting period in which they are incurred.

Gain or losses arising on disposal of property, plant and equipment are recognised in profit or loss.

#### Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognized as at April 01, 2018 measured as per the previous GAAP (Indian GAAP) and use that carrying value as the deemed cost of property, plant and equipment.

#### (b) Depreciation and amortisation:

Depreciation has been provided based on useful life assigned to each asset in accordance with Schedule II of the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

#### (c) Impairment of assets

At the date of balance sheet, if there are indications of impairment and the carrying amount of the cash generatingunit exceeds its recoverable amount (i.e. the higher of the fair value less costs of disposal and value in use), animpairment loss is recognised. The carrying amount is reduced to the recoverable amount and the reduction is recognised as an impairment loss in the profit or loss. The impairment loss recognised in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

#### (d) Inventories:

The cost of various categories of inventory is determined as follows:

- 1. Raw material and Packing Materials : At Cost including local taxes (Net of setoff) or Net realisablevalue, whichever is lower.
- 2. Stock in Process: At Cost or Net realisable value, whichever is lower.
- 3. Stock of Finished Goods: At Cost or Net realisable value, whichever is lower.
- 4. Consumable Stores &Spares: At Cost or Net realisable value, whichever is lower.

5.Scrap: At Net realisable value

Cost of raw material and packing materials are determined using first in first out (FIFO) method. Costs of finishedgoods and stock in process include cost of raw material and packing materials, cost of conversion and other costsincurred in bringing the inventories to the present location and condition.

#### (e) Revenue recognition:

In Contact Centre Activity, revenue is recognized as the related services are performed, based on actual utilization or minimum utilization level, as appropriate, specified in the agreements.

In Claim Processing Activity, revenue is recognized based on number of claims processed, at contractual rates and terms as specified in the agreements.

In respect of other services, revenue for services rendered is recognized as per the terms of specific contracts.

Interest income is accounted on accrual basis and dividend income is accounted on right to receipt basis.

In respect of other heads of income, the Company follows the practice of accounting of such income on accrual basis.

#### (f) Fair value measurement:

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price thatwould be received to sell an asset or paid to transfer a liability in an orderly transaction between marketparticipants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statement are categorized within the fair value hierarchy.

#### (g) Financial Instruments:

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. All the financial assets and liabilities are measured initially at fair value. Transaction coststhat are directly attributable to the acquisition or issue of financial asset and financial liabilities (other thanfinancial assets and liabilities carried at fair value through profit or loss) are added or deducted from the fair valuemeasured on initial recognition of financial asset or financial liability.

#### (h) Financial assets

#### Classification and Measurement

All the financial assets are initially measured at fair value. Transaction costs that are directly attributable to theacquisition of financial asset (other than financial assets carried at fair value through profit or loss) are added toor deducted from the fair value measured on initial recognition of financial asset.

Subsequent measurement of a financial assets depends on its classification i.e., financial assets carried atamortised cost or fair value (either through other comprehensive income or through profit or loss). Such classification is determined on the basis of Company's business model for managing the financial assets and the contractual terms of the cash flows.

The Company's financial assets primarily consists of cash and cash equivalents, trade receivables, loans toemployees and security deposits etc. which are classified as financial assets carried at amortised cost.

#### Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a financial assets that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interestincome from these financial assets is recognised using the effective interest rate method.

#### Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. For trade receivables, the Company provides for lifetime expected credit losses recognized from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is de-recognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual

obligation to pay the cash flows to one or more recipients.

(i) Income recognition

Interest income

Interest income is recognised at contracted rate of interest.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probablethat the economic benefits associated with the dividend will flow to the Company, and the amount of the dividendcan be measured reliably.

(j)Provision, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of pastevents, it is probable that an outflow of resources will be required to settle the obligation and the amount can bereliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably.

All known Liabilities, wherever material, are provided for and Liabilities, which are disputed, are referred to byway of Notes on Accounts.

Contingent assets are not recognized in the financial statements.

#### (k) Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income-tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Minimum Alternate Tax (MAT) Credit is recognized as assets only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the profit and loss account and shown as MAT credit entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

#### (1) Loans and Receivables

Trade receivables and loans are initially measured at transaction value, which is the fair value and subsequently retained at cost less appropriate allowance for credit losses as most loans and receivable of the Company are current in nature. Where significant, non-current loans and receivables are accounted for at amortized cost using effective rate method less appropriate allowance for credit losses. Interest is accounted for on the basis of contractual terms, where applicable and is included in interest income. Impairment losses are recognized in the profit or loss where there is an objective evidence that the Company will not be able to collect all the due amounts.

#### (m) Investments

At initial recognition, the Company measures its investments at its fair value plus costs that are directly attributable to the acquisition of the financial asset. Investments are designated as subsequently measured at fair value through profit or loss. The transaction costs are expenses immediately in statement of profit or loss. Movements in fair value of these assets re taken in profit or loss.

#### (n) Segment reporting

Identification of segments:

The Company's operating businesses are organized and managed according to the nature of products and predominant source of the risk for the Company is business product, therefore

business segment has been considered as primary segment. The analysis of geographical segments is based on the areas in which the Company operates.

#### Segment policies:

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

#### (o) Earning per share

Basic earnings per share are calculated by diving the net profit or loss for the period attributable to equity shareholders after deducting preference dividends and attributable taxes by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

#### (p) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

#### (q) Leases:-

#### Policy applicable before April 1, 2019

Leases are classified as finance leases whenever the termsof lease transfer substantially all the risks and rewardsof ownership to the lessee. Leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

#### (i) Operating Lease:

Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except whereanother systematic basis is more representative of the time pattern in which economic benefits from leased assets are consumed. The aggregate benefit of incentives (excluding inflationary increases where rentals are structured solely to increase in linewith the expected general inflation to compensate for the lessor's inflationary cost increases, suchincreases are recognised in the year in which the benefits accrue) provided by the lessor is recognized as a reduction of rental expense over the lease termon a straight-line basis.

#### (ii) Finance Lease:

Assets held under finance leases are initially recognised as assets of the Company at their fairvalue at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation.

Assets held under finance leases are depreciated over their expected useful lives on the same basisas owned assets or, where shorter, the term of therelevant lease. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognized immediately inprofit or loss, unless they are directly attributable toqualifying assets, in which case they are capitalized in accordance with the Company's general policy onborrowing costs. Contingent rentals are recognized as expenses in the periods in which they are incurred.

#### Policy applicable after April 1, 2019

The Company has adopted Ind AS 116 effective from April 1 2019 using modified retrospective approach. For the purpose of preparation of Standalone Financial Information, management has evaluated the impact of change in accounting policies required due to adoption of Ind AS 116 for year ended March 31 2023.

The Company assesses whether a contract contains lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether contract conveys the right to control the use of an identified assets, the Company assesses whether: (i) the contact involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease (iii) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-useasset and a lease liability at the lease commencementdate. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the presentvalue of the lease payments that are not paid at the commencement date, discounted using the interestrate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of thelease liability comprise the fixed payments, including insubstancefixed payments;

The lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate.

The Company has elected not to recognise right-of-useassets and lease liabilities for short-term leases that havea lease term of 12 months or less and leases of low-valueassets. The Company recognises the lease payments associated with these leases as an expense on a straightline basis over the lease term.

The Company's leases mainly comprise land and building for office/warehousing use.

#### (r) Employee benefits

Retirement benefits in the form of Provident Fund contributed to Statutory Provident Fund is a defined contribution scheme and the payments are charged to the Profit and Loss Account of the year when the payments to the respective funds are due. There are no obligations for contribution payable to Provident Fund Authorities.

Superannuation Fund and Employees' State Insurance Corporation (ESIC) are defined contribution schemes and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations for the contribution payable to the respective funds.

The company provides for gratuity, a defined benefit retirement plan (the "Gratuity Plan") covering eligible employees. In accordance with the Payment of Gratuity Act, 1972, the Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company. The liability was provided only for those employees who are covered under Gratuity Act as determined by the management.

(s) Foreign Currency Transactions

Transactions in foreign currencies are accounted at the exchange rates prevailing on the date of transaction or at rates that closely approximate the rate at the date of the transaction.
